Why XL Enterprises Limited

XI Enterprises Limited is a Public Limited Company manufacturing fine leather goods for more than 30 years. XL is an ISO 9001-2008 certified finished leather goods manufacturing company. We strictly follow the EU compliance of BSCI standards and all leather products manufactured in our factory are BSCI compliant. We are a Dun and Bradstreet USA verified organization. XL Enterprises Limited also has the BSI certification.

We are manufacturers, exporters and suppliers of high quality finished leather goods. We are an innovative organization and keep designing leather goods as per latest trends and user popularity among consumers. You can also share your custom leather goods manufacturing requirements with us and we would be happy to discuss.
